

Advancing Human Rights in Responses to Climate Displacement and Human Mobility: Regional Perspectives

Tuesday, June 20th 2023

13:15-14:45

Rue de Varembe 1, Geneva

Following regional civil society consultations, the Climate, Migration & Displacement Platform and the Friedrich-Ebert-Stiftung are organizing a discussion focusing on regional priorities for advancing human rights-based approaches to addressing climate-related displacement risk and human mobility at national and local level in impacted communities.
