## Towards More Ambitious Goals: Reflections on the First International Migration Review Forum

---

FES' new paper *Towards More Ambitious Goals* offers a civil society perspective on the first IMRF and learning from that. At the mid-point between IMRF sessions, join us for a conversation to reflect on the inaugural IMRF, share recommendations for the upcoming Regional Reviews and future IMRFs, and consider how we can raise ambition for the IMRF to deliver for migrants.

**30 January 2024**

**13:10-14:00**

CICG Geneva - Room 4 - Level -1
