

Webinar Series 05: Trade Union Trade Talks (TUTT)

Topic

Africa's Green Minerals Strategy: Critical Minerals, Industrialisation and Decent Work

Moderator

Dr. Hod Anyigba
Executive Director, ALREI
& Chief Economist,
ITUC-AFRICA

Speakers

Ms. Marit Y. Kitaw, PhD.
Economic Affairs Officer,
UN Economic Commission
for Africa (UNECA)

Mr. Kenneth Mogane
Sub Sahara Africa
Regional Officer,
IndustriALL Global Union

Date: October 8, 2026
Time: 12:00 GMT/14:00 CEST
Duration: 90mins

This session will examine the African Green Minerals Strategy and its potential to support industrialisation, regional value chains and economic transformation. It will also identify policy, governance and social-dialogue measures that ensure value addition benefits workers and communities, rather than reinforcing extractive dependency.

Who Can Participate:

- » Trade union leaders
- » Labour researchers
- » Civil society and development partners
- » Academics and Media
- » Mining, energy, manufacturing and transport unions

Partners: **sask** Ministry for Foreign
Affairs of Finland
